Utrust Launches New Website

This week, if you take a look at www.tnuct.com, you will notice some major changes. Over the past several months, we have been busy updating the website to make it more useful for our members. The website is still under construction, but we encourage you to explore the site and see some of the added features that are currently available or will soon be available. In this issue, we are featuring the Make a Difference Appreciation Days section of the website.

Appreciation Days

Starting in January, all of the program materials for employee appreciation days will be available exclusively on-line. This will include all of the materials that you need to ensure a successful appreciation day for each of your employees. In order to access the Make a Difference Appreciation Days section, you must have a username and password which can be obtained by logging onto our website at www.tnuct.com and clicking on the login button located at the top of the page on the red bar. You will be notified via e-mail that your username and password are active.

Food Service Personnel Appreciation Day

January 15, 2009, is the scheduled date for Food Service Personnel Appreciation day. Each system has received a packet for both the superintendent and for the principal. This packet included information to help you implement Food Service Personnel Appreciation Day. If you have any questions about any of this information, please e-mail [Kristi Coleman](mailto:kristi@tnuct.com). The Food Service Personnel Appreciation day packets are available [online](#) including [videos](#) to use for this day for both the student and faculty, but remember, you must request a user name and password to have access to them.

Principal Appreciation Day

The Utrust staff is hard at work on the Principal and Assistant Principal Appreciation Day packet. Since this appreciation day is for the principals, we would like for the superintendent or program point person to identify someone at each school to coordinate the principals appreciation day other than the principal or assistant principal since they will be the honorees. The principal packets will be available on-line in January. Principal and Assistant Principal Appreciation Day is February 19, 2009.

We wish you a very Merry Christmas and a Happy New Year!!!
