Principal Appreciation Day Celebrations

We are so "happy happy happy" to see how wonderfully your principals were appreciated this month! Many students participated in making thank you notes and random act of kindness notes which were displayed all over your schools. Wilma Holder at Church Hill Elementary School in Hawkins County described the day like this: "Our students wrote all kinds of thank you cards and dressed in their best Duck Dynasty attire. Mrs. Drinnon also received multiple gifts throughout the day." We know your principals enjoyed their special day using this fun theme. Here are summaries from all the schools.

Anderson County:

Anderson County Career and Technical School - Principal appreciation day was a "Happy Happy Happy" hit. From camouflage to a country dinner to Uncle Si's Sweet Tea. Mr. Myers and the other principals had a blast! It was fun pulling together to make our principals feel special. Click [here](#) for the photos.

Claxton Elementary School -

We invited the students and staff members to wear camo to show their appreciation to Mr. Hebrard and Ms. Cooper. We showed appreciation in several ways this month; we changed our marquee sign out front, letting our community know that our principals make us "happy, happy, happy!" Click [here](#) for the photos.

Clinton High School - We decided to put our own spin on the Duck Dynasty Theme by using the Disney Ducks instead. We made a banner using the theme. Students also wrote thank you notes to the principals. Click [here](#) for the photos.

Grand Oaks Elementary School - Our students celebrated the ways our principal, Mrs. Conatser, makes us, happy, happy, happy! Students wrote post-it notes of appreciation for the "Happy, Happy, Happy" wall and dressed in camouflage in her honor. Click [here](#) for the photos.

Special Teachers & Staff Celebrations

Students and staff all across Tennessee assembled their avengers to celebrate them on Special Teachers and Staff Appreciation Day. These superheroes fight to protect students from harms way, get them to develop an appreciation for art and music and help students become the well-adjusted productive adults of tomorrow.

Here are some of the stories of schools celebrating these special staff members as told by their school coordinators:

Anderson County:

Anderson County Career and Technical School - Today was our Special Staff Appreciation Day. We fed our super heroes a nutritional breakfast of loaded omelets, bacon and chocolate chip Belgian waffles along with juice and coffee. Our media teacher made a Marvel Avengers poster to hang in the front hall. The special staff had

a great time! Click [here](#) for the photos.

Claxton Elementary - We showed appreciation to our Special Area & SPED teachers by providing an Avengers themed lunch. A local pizza place gave us a discount on individual sized pizzas, and our A-Team kids put a cut-out of Captain America's shield on each box! A 5th grade teacher also made star shaped brownies for dessert. Click [here](#) for the photos.

Grand Oaks Elementary - Grand Oaks Elementary celebrated our Special Area Teachers, our school nurse, and SRO Officer as the superheroes in our school. With an Avengers theme, each staff member's door or area was decorated with a special certificate recognizing their unique gifts and talents. They were celebrated with Super Hero treats, too. We are thankful for our 'Marvel'ous special teachers! Click [here](#) for the photos.
