BUS Driver Appreciation Day Celebrations

The spirits of the bus drivers are soaring high from all the special ways they were honored on their appreciation day. It was exciting to see all the photos and videos from 2 new school systems, as well as the seasoned veterans. All aboard the appreciation train! Be prepared to be blown away by the summaries from the coordinators of the participating schools:

Bells Elementary - Planes, trains and automobiles- What about the buses?! September 12th was Utrust Bus Driver Appreciation Day and Bells Elementary honored those drivers that make sure we all enjoy services they provide throughout the year, like bringing our friends to school safely each day and helping make sure we enjoy learning outside the classroom on field trips, too.

All students from Kindergarten to 5th grade were aware of the special day and were encouraged to thank a bus driver. A large thank you banner was displayed for afternoon bus arrival and all drivers received a special thank you goodie bag.

In Hamblen County, Hillcrest Elementary - We had a great Bus

Driver Appreciation Day! We honored our Bus Drivers with a river rock that was painted with their bus number and a thank you! We put our gifts in a tumbler and added candy and snacks and tied everything up with colorful ribbon. The children decorated and signed thank you notes that they made. We presented our awesome bus drivers their gifts at the end of the day and held a poster for them that said "Hillcrest Bus Drivers Rock". As the drivers were leaving, they showed their appreciation by honking their horns. Everyone had a great time.

Lincoln Heights Middle - Students and PTO made cards and candy holders shaped like buses. Students signed the cards and gave them to bus drivers.

Meadowview Middle - Student Council students at Meadowview had students write thank you notes to their bus drivers. Students then delivered those thank yous as well as a bottle of water and 100 Grand candy bars with special poems written just for our bus drivers. We even caught some in action loading and unloading.

Anderson County Celebrates BUS Drivers

Anderson County Career and Technical

- We only had 2 bus drivers but the A-Team went all out for them. They made breakfast for them themselves and also a card for each bus driver. They all seemed like they had such a good time. The breakfast consisted of homemade waffles, bacon, sausage and fruit toppings with milk and juice.

"One of the bus drivers that we honored (Casey Carroll), came by and told me how special the breakfast was the A-Team planned and prepared for them. He and Kim the other bus driver were thrilled with what the A-Team did for them. This is such a good program and I am glad to be a part of it." Tammy McCreary, coordinator

Anderson County High School

- We had a great time this morning at Anderson County High School as we honored our bus

drivers. We made a banner that read "Thank you for driving us to a better education" and hung it up in the bus circle. We also invited them to come on campus for breakfast and gifts! Our gifts were small trash cans, which were personalized with their names and bus numbers on them, and were then filled.

We filled them with kleenex, clorox wipes, hand sanitizer, wet wipes and band-aids.

This is such a good program and I am glad to be a part of it."
Tammy McCreary,
coordinator

Andersonville

Elementary -

Andersonville enjoyed celebrating our bus drivers! In preparation for the big day we had students from our fourth and fifth grade decorate signs, color the Utrust labels, and spread the word! We changed our marquee to inform our community, and sent our bus drivers goody bags!

Anderson County Celebrates BUS Drivers

Lake City Elementary - We had a big vinyl sign made that said "LCES Loves (heart) our Bus Drivers. We hung it out in front of the bus company the night before so the bus drivers could see it the next morning when they arrived.

Also, we had a banner for students to hold up as the bus drivers dropped students off in the morning. The yellow banner said "Thank You Bus Drivers! We are in Good Hands!" Students had placed their handprints on the sign. Three teachers stood with them at the front of the building to lead the students in cheering for the bus drivers and saying thank you to them. We also gave them their student-made cards and t-shirts at that time. Students made a yellow t-shirt for each bus driver with this same saying and handprints.

Invitations were made for their appreciation lunch. Those were given to the bus drivers the week before appreciation day. Lunch was provided in the cafeteria for the bus drivers. We set up special

tables and provided tablecloths, banner, drinks, dessert, cups, and dessert plates. We had the 7 students who were candidates for Student Body President to serve as our greeters and servers for this lunch. Since the bus drivers were eating in the cafeteria, many students came up to them and hugged and thanked them as they entered or exited the cafeteria during their lunch time. Each bus driver was also given a name place card, and a stack of cards, letters, and pictures that had been made/written by students from all grade levels.

Vinyl decals were also made to give to each bus driver to put on a window in their bus. The decals said LCES loves (heart) our bus drivers.

Students said thank you to their bus drivers as they boarded their buses in the afternoon.

Norwood Elementary held a special assembly in front of the student body to honor their bus drivers and present them with tokens of appreciation from the students.

BENTON COUNTY Celebrates BUS Drivers

Holladay School - Students made treat bags for the bus drivers and a thank you poster for the day.

Briarwood Elementary - Students made daily announcements. Signs were made by the A-team members and were hung outside in the bus lane. School banner was displayed in the front lobby and gifts & treats were collected for our drivers.

Students thanked the drivers with hugs, kind words, gifts, and cards. Water bottles turned into airplane that said "Soar above the clouds with our bus drivers".

Camden Elementary - Camden Elementary A-team honored bus drivers. They created posters for their drivers and hung them outside and in the hall. Shoe boxes were used to make mini-buses. Classes filled them with airplanes, water, peanuts, thank you notes and much more. Drivers enjoyed cupcakes for a sweet

treat, a special poem and colorful drawing pictures of a train, plane, or auto. It was a great day for all the drivers in Benton County.

Camden Junior High - Bus Driver Appreciation Day was a major success at Camden Jr. High School this year. EVERY homeroom class participated in honoring the services of the bus drivers.

"Boy! CJH students have out-done themselves this year!", were the words from bus driver, Mrs. Eldonna Henry.

Career & Technical CHS - students created personal posters with the theme as well as small gifts of appreciation.

Big Sandy School - students of all different grade levels participated in Bus Driver Day by wrapping chocolate bars with cute wrappers and giving hugs to the bus drivers while thanking them for their hard work.

HAWKINS COUNTY Celebrates BUS Drivers

Bulls Gap - Bulls Gap School gave all of our wonderful bus drivers sausage biscuits and water to thank them for keeping us safe.

Carter's Valley Elementary - students put smiles on the faces of their drivers by giving them handmade posters, goodie sacks and a great video keepsake. They were honored because being a bus driver "is not just a job, it's an adventure!"

Cherokee High School - Cherokee's A-Team honored our bus drivers with a thankful message they were able to read as they pulled in to the school, as well as when they were leaving! We greeted the bus drivers this morning with smiling faces, posters of appreciation, and goodie bags filled with treats. Inside the building, students were made aware of this special day with posters and announcements encouraging students to thank their bus drivers for getting them to and from school safely every day!

Church Hill Elementary - Our Kindergarten children made posters in the shape of buses. We called them the CHES Express. We put each bus drivers

picture and bus number on the buses. The children wrote their name on the back of their bus drivers bus. We took shoe boxes and covered them with blue construction paper and put a picture of a train on them. We filled each box with snacks, a free hot fudge cake from Dairy Cup, and a bottle of water that was labeled " thanks for keeping us on track." We gave each bus driver a pencil box with an ink pen, post it notes, bubble gum, mints, hand sanitizer, and kleenex.

Church Hill Middle School - Church Hill Middle School celebrated Bus Driver Appreciation Day by presenting our bus drivers with folders decorated by the students containing appreciation letters written by our students. Even though the morning rain destroyed our banner, the sun was shining when the students greeted our bus drivers with their folders!

Church Hill Intermediate - Our students worked to create goodie bags for each of our bus drivers. They created airplane thank you notes, as well as "We wheelie appreciate you!" cards. Students presented their bus drivers their goodies as the boarded the bus to go home.

BUS Driver Appreciation Day Celebrations

Clinch School - Wow what a day! We hung posters along the walkway in front of our school to greet our drivers with a huge "THANK YOU"! The children in grades K-8 made cards thanking our drivers for the wonderful job they do everyday. Some of our teachers and staff members brought in snacks to fill a bag for each of our drivers. Mr. Barton, our principal, bought each driver a \$10.00 gift card to Burger King. One of our drivers, Mr. Kyle, was seen at Burger King just after his bus route. He and his wife were enjoying an appreciation day hamburger!!! Yay! Clinch has once again pulled off a spectacular event!

Joseph Rogers Primary - the students showed thanks to our bus drivers by creating a banner to hold up as they arrived at school, making thank you notes with artwork, announcing a reminder and thank you during morning announcements and presenting them with treats and a Hardee's biscuit!

Keplar Elementary - On bus driver appreciation day, we made banners to tell our bus drivers how much we appreciate them. We made each driver a treat bag filled with chocolate covered

doughnuts for "spare tires", a brownie made into a traffic light, a bag of mini buses made from Hershey nuggets and after all the sweets, we included a Keplar tee shirt to show that they are part of our Keplar family.

McPheeter's Bend Elementary - The first graders sang a song for the bus drivers and the A-team presented them with tokens of appreciation.

Moorestburg Elementary - We celebrated Bus Driver Appreciation day at MES by providing all seven of our bus drivers with gift bags. Each driver received a \$10.00 gift certificate donated by the Green Tomato Grill. The students made cards and poster boards.

Mt. Carmel Elementary - At MCEs we celebrated Bus Driver Appreciation on 9/12/13. Students created cards for their bus drivers. The A-Team presented the bus drivers with an apple, orange, cookies, crackers, candy and homemade muffins to help keep them rollin'. Our school sign slogan from our students read, "You rock and we Roll."

BUS DRIVER Appreciation Day Celebrations

Pathways Alternative School -

We used the theme for the occasion but also used old trucks and motorcycles that some of the faculty own. We fixed some banners and drawing for the day. For lunch we served the faculty. We do not have bus drivers because the parents have to bring them but we still recognized the bus drivers of Hawkins County.

Surgoinsville Elementary - We had a great day celebrating our bus drivers! All the students created a thank you card and got to share what they appreciated about their drivers. The A team planned and created treat bags to pass out to our most appreciated drivers.

Volunteer High School - We celebrated Bus Driver appreciation day bright and early this morning. All of the drivers that stop here were given a "Goodie Bag". The goodies included a free Big Tea from Pals, a McDonalds Big Mac, muffins, chocolate, crackers and a bottle of water. We appreciate

the drivers getting our students to school safely everyday. We appreciate them so much.

In Jackson County, Dodson

Branch Elementary - We only have three drivers that service our school, and only two were able to attend our breakfast. Our drivers were served breakfast and received a bag of goodies to say thank you for taking care of our babies. Mr. Eddie was unable to attend, but did receive his bag of goodies, and a coupon for breakfast. Ms. Lora and Ms. Lori both said how much they loved the decorations and the thought put into their special day. Our drivers definitely keep us on track!

Jackson County High School -

the bus drivers were greeted early as they dropped students off to school. They were given treat bags in line with the Planes, Trains, and Automobiles theme with a quote included saying We "Wheelie" Appreciate You!

SUMNER COUNTY Celebrates BUS Drivers

H.B. Williams -We wanted to show just how much we care about our bus drivers by giving them an afternoon they'd never forget. First, we asked each 3rd and 4th grade teacher to discuss the importance of appreciation within our building and outside of school. The class, and teacher, helped to select 2 classmates that serve as our A-Team and G-Force members.

Next, we selected 6 students to get our school involved by providing information on the intercom (announcements in the am.)

All of the Kindergarten students (around 140) decorated buses and placed them around a large bus pocket chart located above where the bus drivers sit in the afternoons. The morning before appreciation day, all the students coming off of the buses created cards for their bus driver. Markers, pens, and paper were already set up and readily available. This was a GREAT experience for our students, faculty, and our principal to interact with each other. The students then placed their cards in laminated manilla

envelopes with their bus numbers on the front.

On the afternoon of Bus Driver Appreciation Day, all of the kindergarten students gathered around the front office. Bus Drivers were given the envelopes full of cards and pictures, then all 140 students sang 'The Wheels on the Bus'. It brought tears to some of the bus drivers eyes. We then gave all 14 drivers hugs and a huge "Thank You!"

What an amazing experience! We're already looking forward to the next appreciation day.

Howard Elementary - Our students were very resourceful in showing appreciation for their drivers. It doesn't take a lot of money to show heartfelt appreciation to someone. We used Kroger sacks to collect the thank you notes written by the students. That did not cost us anything but the notes inside were priceless. This was our first appreciation day. We can not wait until the next one! Our custodians are going to know how much we love them.

Knox Doss Middle School -

Students at Knox Doss at Drakes Creek honored the bus drivers on September 12 with a Planes, Trains and Automobiles Theme. Members of the A-team got up early to arrive at school at 6:45 a.m. to greet the bus drivers with posters and cheers of thanks as they dropped off students for school. They also presented the bus drivers with thank you notes made in the shape of paper airplanes, a box car of goodies filled with treats and a special breakfast provided by a local church.

Several A-team members said that while it was really early to get up, it was worth it to see the drivers' faces as they presented them with the goodies and paper airplane of thanks. The bus drivers showed their appreciation to the a-team by

honking their horns, smiling and waving and telling them how much they enjoyed the day. In fact, one bus driver commented it just made her day.

Lakeside Park Elementary -

Lakeside Park had a great time celebrating Bus Driver Appreciation Day. Our select choir came and helped us sing our song to the bus drivers!!

The students videotaped the bus driver celebration with the A-Team students holding up signs and cheering as the buses dropped off the students. Each driver got off the bus and was handed a box of goodies and a huge airplane hangar full of thank you notes. Then the choir serenaded each driver.

SUMNER COUNTY Celebrates BUS Drivers

At **Station Camp Elementary**, we wanted to spread the word about our new EAP program while getting our preparations ready for Bus Driver Appreciation Day! We selected 24, 5th grade students to make up our A-Team! Within this team we have 8 students on our Creative Team, 8 on our Action Team, and 8 on our Paparazzi Team. We had each teacher within our building to select 2 students in their room to make up our G-Force Team. Each teacher discussed the importance and meaning of appreciation with their students and reviewed the purpose of our EAP efforts as this is a new program at our school. We recognized and introduced each of these students during a school wide assembly in order to unite our school in their appreciation efforts.

We had a wonderful time celebrating our Bus Driver Appreciation Day! Prior to the day, our A Team met before and after school to create bus boxes, posters, school flyers, and banners. We spent time preparing for our day, stuffing the boxes with goodies and practicing a song and dance titled "Ride Away". Meanwhile, Our G-Force members were getting our school pumped up for the big day by creating paper airplane letter of gratitude and our A Team provided the school with daily announcements providing students with more and more information about the upcoming big day!

Once the day was finally upon us, we spent the morning with our A Team while they

prepared for our buses to arrive. Our A Team students created specific bus boxes for each bus driver and assistant. Each box was full of items from all the kiddos expressing their gratitude for getting them to school safely. The boxes included airplane themed letters, a bottle of Coca-Cola, a Dunkin Donuts gift card, and trail mix for their ride.

Each of our teams had specific jobs for the day to help make our A Team's vision come to life. Our Action Team prepared the song "Ride Away" and a dance to go along. They spent the morning serenading each and every bus! Our Creative Team surrounded our area with decorations, banners, posters, and airplanes. They also spread the word throughout our building by posting reminder flyers hand made by each of them. Our Paparazzi Team spent their morning recording all the joy by interviewing students, our principal, and the bus drivers about their daily appreciation for their jobs. They also took photographs and wrote reports about the fun going on to support our amazing drivers!

It was such a successful day showing our bus drivers how much we care and appreciate their hard work! We are so proud of our students hard work to pull off a wonderful day of appreciation. We are so grateful to have such wonderful bus drivers that get our kiddos to school safely!

BUS DRIVER Appreciation Day Celebrations

North Sumner Elementary -

Bus drivers were given a special treat which included a breakfast sandwich and juice. Students also made them Thank You cards. The bus drivers pictures were made and displayed on a bulletin board titled "The Wheels on the Bus..." The school's outdoor sign displayed the message "Thank You Bus Drivers." As a final form of appreciation, the faculty, staff, and students wore yellow to honor them as well.

Trousdale County

Elementary - The children colored the inserts of coffee mug. They made posters .We had Mr.Dan Dickerson tell us that we made his day every year on bus appreciation day. Ms.Torrie Shoulders, Patty Scuggs, and many more told the children they always look forward to our greeting them.They gave the the mugs filled with instant coffee packet a pack of creamer a pack of sugar sweet lowland a spoon.They had two home made muffins made by Mrs. Jennifer.

Trousdale County High

School - we followed the theme by using cotton candy as clouds with a cut-out plane from our appreciation packets. We also did a thank you poster as a puff of steam. The A-Team girls made goodies for their gift bags as well. They made brownies, cookies and chocolate covered strawberries. I think our bus drivers really appreciated their day!

We are excited about the abundant energy for this school year. We can't imagine how the students are going to top Bus Driver Day but know that somehow they will. Custodian Day is coming up with the Farm Daze theme. The date is set for Thursday, October 24th but can be changed if needed. The students are encouraged to channel their inner-farmer to really get into the theme. Have fun and be sure to share pictures and a summary so your school will be included in the newsletter!
