

On the Road Again SONG

On your bus again, just heading back to my school again.
Glad to have a driver that we know's a friend
Who'll get us all back to our homes again.

On the bus again with a driver who's our friend
And a smile that we'll soon see again
When we get back on your bus again

On your bus again
At the crack of dawn your bus is coming our way
You don't complain
You just keep doing things that make us say

You make our day!
On your bus again.
You're so nice to all of us again.
A big "Thank you" from me and all my friends

We'll be glad to get on your bus again.
We're always glad to get on your bus again.

the Road Again by Willie

WE ARE THE CHAMPIONS

song

You've polished the floors
Time after time
You mop our halls
And clean up the grime
And dirty classrooms
There's more than a few
You often find stuff that's out of its place
But you handle that too

You are the champions, our friends
And your thorough cleaning never ends
you are the champions
you are the champions
No time for snoozing
'Cause you are the champions of clean

You take out our trash
And clean up our mess
You keep our mirrors spotless and fountains germ free
We think you're the best!

You do a great job
Our school shines like new
You carefully clean- - - you clean every place
And we appreciate you

You are the champions, our friends
And your thorough cleaning never ends
You are the champions
No time for snoozing
Cause you are the champions of clean

are the Champions by Queen

Action

We're having fun playing a Scrabble Game
Finding tiles and using them to spell your name
Another thing we're doing to have fun too
Is spelling out words that we think describe you

CARING, CONSIDERATE, HELPFUL, and KIND
AWESOME, DEPENDABLE, FUN and REFINED
TALENTED, PUNCTUAL, UNDERSTANDING, and NEAT
Words that remind us that you can't be beat

You keep our school running smooth as can be
Doing the kind of things people might not see
But we know well how important you are
You're the center of our scrabble board star.

CARING, CONSIDERATE, HELPFUL, and KIND
AWESOME, DEPENDABLE, FUN and REFINED
TALENTED, PUNCTUAL, UNDERSTANDING, and NEAT
Words reminding us that you can't be beat

Thank you for being here and the things that you do
We've come here to say, "We appreciate you!"
We only have enough Scrabble letters left to say
