Subject : Announcing Culture Initiative

Dear Parent,

I'm excited to share some news about a new initiative we are launching at our school: the Utrust Culture of Appreciation Initiative.

Our primary goal is to ensure that our school is the best place for your child to learn, grow, and thrive. We want every student to feel welcome, safe, and at home in our school. We believe that fostering a culture of appreciation will contribute greatly to achieving this goal.

The Initiative:

- We will be encouraging all students to be intentional about recognizing and expressing appreciation to both school staff and their fellow students.
- We want your child to take pride and ownership of our school.
- Enhance the school environment and help build character and interpersonal skills among our students.

Your greatest impact with this initiative will be for you to:

- Model Appreciation in your daily interactions to set an example.
- Encourage your child to embrace this initiative and participate fully in our efforts to create a positive and appreciative school culture.

Your involvement is crucial, as children often learn best by observing and imitating the behavior of their parents and other adults in their lives. **To support this effort, we're providing you with attached documents: (attach documents found at <https://ustrust.org/tools-resources/#resources-culture-initiative>)**

- Why Parents Should Express Appreciation to their Children
- How Parents Can Recognize, Value and Express Appreciation to Their Child

By working together, we can ensure that our school is a place where every student and every staff member feels valued and respected. Thank you for your continued support and partnership in your child's education.

Sincerely,
Principal
