

Spring Sticker Day

ANNOUNCEMENTS

Student 1: It's Spring Sticker Day, and it's all about spreading appreciation!

Student 2: Oh yeah, I've seen those awesome stickers that say "I'm Appreciated"! So how does it work?

Student 1: It's easy! On Spring Sticker Day, students and staff can pick up stickers to pass out to people at school, to show appreciation.

Student 2: And when you give a sticker, don't forget to say why you're grateful for that person!

Student 1: Nice! So, I can thank my friend for always helping me with homework.

Student 2: Or even give one to a teacher for making class fun!

Student 1: Exactly! But here's the best part—don't just give stickers to your close friends.

Student 2: It's nice to include those who don't have a sticker yet and let them know they're appreciated too.

Student 1: Once you get a sticker, wear it proudly on your shirt all day!

Student 2: This is going to be so cool! Let's fill the school with stickers and gratitude!

Student 1: It will be a day full of gratitude, smiles, and sticker power!
