

BRAVO BOARD

Let your thanks fall like leaves!

ANNOUNCEMENTS

Student 1: Hey [Student 2], have you seen the Bravo Board?

Student 2: The what-now? Is it some kind of super cool skateboard?

Student 1: Not exactly, but it's way cooler! It's where we shout-out people who are doing great things around the school!

Student 2: Ohhh, like when we see our teacher stay late to help a student with their project?

Student 1: Exactly! Or when your classmate helps clean up after lunch without being asked.

Student 2: I love that! How do I give someone a Bravo?

Student 1: Just head over to the Bravo Board, [give location] write down their name, and what they did. Simple as that!

Student 2: I'm definitely writing you a Bravo for giving me the heads up on this!

Student 1: Aww, thanks! Let's fill that board up with awesomeness, [School Name]!

Both: Who will YOU give a Bravo to today?
