Theme: 1930S HOLLYWOOD

The 1930s Hollywood Era

The 1930s were known as the Golden Age of Hollywood. Movie theaters became a place of wonder, with red carpets, spotlights, and black-and-white films that brought joy and excitement to millions of people.

It was the decade of glamorous stars, dramatic movie trailers, and the first big Hollywood premieres. People lined up outside theaters to see their favorite actors and actresses, and many of the traditions we still see in Hollywood today—like the Walk of Fame and celebrity handprints—began in that era.

Why This Theme for Superintendent Appreciation Day

This year, we're celebrating superintendents with the Classic Hollywood theme to shine a spotlight on their leadership and dedication. Just as directors and stars brought magic to the screen in the 1930s, superintendents work behind the scenes and center stage to make sure our schools are safe, successful, and full of opportunity.

By using the Hollywood theme, you'll be rolling out the red carpet to honor their hard work and showing that they are the leading star of the district. The activities—from the canned food drive, to Walk of Fame, to the Puttin' On the Ritz Presentation—are all ways to give superintendents a well-deserved "standing ovation."

- Invite the Superintendent to step up and press their hands into paint, then onto the prepared board/canvas — just like celebrities do outside Grauman's Chinese Theatre in Hollywood.
